CRC VOLLEYBALL

Inspiring Today. Strengthening Tomorrow.

FORWARD

The Athletic Division of the Cincinnati Recreation Commission has prepared this rulebook to clarify the governing rules and procedures of the Volleyball Season. Please take the time to read this information.

The CRC Volleyball League Coordinator is responsible for the organization and control of the Volleyball Program. She will enforce all rules set forth and will expect managers and team members to follow procedures as outlined in this rulebook. All league decisions and rule interpretations by the league coordinator are final.

INJURY PREVENTION

All participants must be aware that some risks are involved when actively participating in physical programs. If you are pregnant, have a disability or are not positive that you are physically fit to participate in an active sport, please consult your physician.

LEAGUE STRUCTURE

The Cincinnati Recreation Commission Volleyball Program is divided into five skill level classifications. Following are the descriptions of these levels. Please keep in mind that these are only guidelines, and that skill levels are not guaranteed.

A Level – Teams/players seeking a high level of competitive volleyball. Play involves multiple offenses using designated setters and hitters, and utilizing strong middle blockers – both male and female.

BB Level – Above average ability, a mixture of experience, and a desire to play more competitive volleyball characterize this level. Teams will operate multiple offenses again with designated setters and hitters.

B Level – Our intermediate leagues. Athletic types who want to play volleyball for more than just the fun of it. Most “B” teams run 6-2 offenses.

C+ Level – This level will provide an opportunity for the “C” players from previous seasons who feel that they are ready to make a move up, but are not quite ready for the “B” level.

C Level – Our novice leagues. Inexperienced players who want to play for the fun of it, but who desire to improve their skills.

PRIORITY REGISTRATION

Priority registration is determined year to year by the manager of the team, regardless of the sponsor or players. The manager is the key in all of our programs.

Considerations for being a priority team are:

1. If the team splits and several players form a new team, the original manager has priority as the old team. The players who formed the second team become a new team.
2. If the team splits and several players and the sponsor form a team, that team is a new team. The original manager has priority as the old team.
3. If the manager leaves the sport, the alternate will assume the position of manager for the old team and have priority in registration.
4. If the old manager leaves the sport and there is no alternate or the alternate also quits, the first person that registers the team name becomes the manager of the old team and will have priority in registration. Any and all other players will enter teams as new teams.

LEAGUE RULES AND GUIDELINES

1. MANAGER'S RESPONSIBILITIES

- A. It is the manager's responsibility to take the initiative to obtain league information (deadlines, tournament information, awards, etc.).
- B. Each manager must have a copy of the league rules and the league schedule at each match. If a league rule is disputed, **the official must be shown the CRC rule** or he/she will not be held responsible for the enforcement of that rule.
- C. **Score Verification** – Both captains must initial the official score sheet upon completion of the match. ***The team who wins at least two of the three games of the match is also required to call the results in to the CRC Athletic Division Score Hotline at (513)352-1620 the day following the match.*** There is no penalty for non-compliance with this rule, but in order to keep our records updated, your cooperation with this procedure is greatly appreciated. The score sheet is official.

2. CHILDREN IN THE GYM

If it is necessary for any of your teammates to bring children to your match, we ask that the responsible parties supervise them. Children playing along the sidelines can only hamper play and will subject them to the possibility of injury. Game officials have been instructed to stop play and ask for the responsible parties to intervene if disorderly behavior occurs. ***If play is delayed, the official may call a "delay of game" penalty towards the responsible team.***

Please remember that this is an adult program – only bring children when necessary. Most facilities do not offer childcare. Your cooperation in this matter is greatly appreciated.

3. TEAM ROSTERS

An official CRC roster for the season must be on file at the CRC Athletic Office (before the office closes) ***prior to the first played match. No duplication (copy) or previous year's roster will be accepted in any form.*** There will be no exceptions in this matter. If the roster is mailed or faxed, it is the responsibility of the team manager to call and confirm receipt of the roster to protect the eligibility of the team and/or a player. Please note that the CRC Athletic Office does not receive mail on Saturdays or Sundays.

- A. Rosters are limited to 15 players (except for the Sand Season).
- B. The CRC Volleyball Program is for adult players – 18 years old and older. Players that are 16 or 17 years old may participate (with parental consent), and must be at least 16 years old by the start of the season. An Under-Age Player's Roster may be obtained from the Athletic Office, and should be submitted before the player participates in the program.
- C. CRC offers leagues for Men's, Women's and Co-Rec teams. ***Women may not play on Men's teams and Men may not play on Women's teams.***
- D. Players may participate in more than one league, but not on two teams within the same league.
- E. Players may be added or released from a roster by using the appropriate player addition/release form. A player may release himself/herself from a team without the manager's signature if this procedure is followed:
 - 1. The player should notify his/her team manager.
 - 2. The player should send the release form to the CRC Athletic Office for validation.
- F. Only one player per team may "play down" to the next lower skill level. Players may not "play down" more than one level. Example: "A" players may participate in "B" but not in "C" leagues. "B" players may participate in "A" or "C" leagues but not in both. Players suspected of "playing down" more than one level must be protested by the opposing team (see rule #5). If protested, this player may be suspended from further participation in that particular league. ***The team may forfeit every game in which the player(s) participated.***

4. ROSTER FREEZE

No player may be added or released from a roster after your team's fifth scheduled match. Injured players may only be replaced with another player already on the roster. ***We strongly suggest that you fill your roster!***

5. PENALTIES FOR ROSTER VIOLATIONS

- A. Teams not having a valid roster on file in the CRC Athletic Office may forfeit every game (other than the first week of matches) until the correct roster is on file. Games forfeited will be subtracted at the end of the season.
- B. Teams using an ineligible player may forfeit every game in which they were subject to a valid protest (rule #6).

6. PLAYER PROTESTS

If there is a question about the eligibility of a person in the game, the opposing team manager/captain must request that the official obtain a signature. This protest must occur during the match. If there is a roster violation, the CRC Facility Coordinator will determine the eligibility of the player (see rule #3F, also). Refusal to sign the score sheet will result in automatic forfeiture of all games in which the player participated.

7. GAME / MATCH PROTESTS

There will be no game or match protests.

8. FORFEITS

Teams not appearing for two consecutive matches, without just cause, may be dropped from the league without refund of entry fee. This decision will rest with the League Coordinator. Teams being dropped will receive written notice.

Teams that are aware that they will need to forfeit a match are asked to call the CRC Athletic Office in advance. Your league schedule provides a manager's list so that you may also phone your opponent. This information may not be used for the rescheduling of games. Please submit email addresses if you do not want your telephone number listed.

9. WARM-UP PERIODS

Matches are to be played as scheduled. Warm-up time may be allowed within the framework of the starting times and should only be anticipated before the first match of the evening.

10. MINIMUM NUMBER OF PLAYERS

A team may begin a game and/or end a game with five players. The team must pick a designated spot for their missing player. **Penalty** – if a team is playing with five players, a side-out shall be called whenever that missing player's service is reached during rotation (resulting in loss of serve). The game official will be responsible for monitoring this procedure. The penalty shall be invoked until the missing player enters the game. **A team may pick-up a player from another team providing the opposing captain agrees.** At no time will a game continue with less than five players. ***In Co-Rec leagues, a team playing with five players may play with three men and two women, but not more than three men.***

11. GRACE PERIOD

There is no grace period for the first game of your scheduled match. If you can not floor a team at your scheduled starting time, your team has forfeited the first game of the match. The second game will be forfeited if you can not floor a team on the fifteen-minute mark after your original starting time. The third game of your match will be forfeited at the thirty minute mark after your original starting time.

12. OFFICIAL GAME / MATCH

If for any reason beyond the control of the official or CRC Facility Coordinator a match game is not completed, the following rules will be in effect:

- A. Only games not finalized will be replayed. Please call to inform the CRC Athletic Office the next day so that the match can be rescheduled as soon as possible.
- B. ***If, in the third game*** of the match neither team has reached ten points with a one point lead, that game will be replayed in its entirety. Please call to inform the CRC Athletic Office the next day so that the game may be rescheduled as soon as possible.

13. OFFICIALS

Any concerns/complaints about the quality of league officials should be submitted in writing to the League Coordinator immediately.

If an official is not present at game time, teams are permitted and encouraged to have a mutually agreed upon person to officiate the match (score sheet is to be signed by both managers.) This person shall assume the duties of the official and should sign the score sheet as such. He/she should also include his/her printed name, address, zip code, home phone number, and the number of games officiated. The acting official will be compensated for his/her duties.

14. GROUND RULES

Each facility/court has different ground rules. Please review these rules with your game official before every match.

15. CONDUCT

All CRC and Board of Education Rules and Regulations must be observed at all times. Smoking, alcohol, profane language and/or unsportsmanlike conduct will not be tolerated by CRC. Players, managers and spectators not abiding by these rules will be subject to suspension from the facility/league.

Warning: verbal or hand signal.

Penalty: yellow card and a point.

Expulsion: red card – must leave playing area for the remainder of the game.

Disqualification: yellow and red card together – must leave for the match and will be suspended for the next scheduled match.

Note: Any player/coach/spectator who physically assaults any other person, game official, CRC staff or spectator before, during or after a game will automatically be ejected from the facility, suspended from further league participation and have the appropriate criminal charges filed by the CRC Athletic Office.

16. USAV MODIFIED RULES / CRC RULES

- A. **Matches shall consist of 3 games to 25 points, win by 2, Rally scoring.** Standings will be calculated by total games won and lost.
- B. **Time Between Games** – no more than 3 minutes will be allowed between games.
- C. **Time-Outs** – 2 per game, 30 seconds each.
- D. There are no limitations on the ceiling – the ball may be played off of the ceiling and the running track/ceiling beams.
- E. Co-Rec players must alternate floor positions (male-female) at moment of service.
- F. **Substitutions** – shall be person for person, unlimited. Rotational substitution is permitted in “C” leagues, only (the substitute rotates into the serving position).
- G. **The ball may contact any part of a player’s body.**
- H. **Service –**
 - 1. Service tossing rule is no longer in effect. This means that the server will have only **1 toss of the ball and 8 seconds** to execute service. Allowing the ball to fall whether touched or not will be an illegal service.
 - 2. **A served ball that contacts the net and continues to the opponent’s side will be considered a live ball.**
 - 3. The service zone consists of the extended full width of the court.

- I. **Serve Reception** – served balls may be “bumped” or hand set. Serves may not be blocked or attacked with a spiking motion (unless the ball is completely below the net). A player may have a double contact on the first ball
- J. **Blocking** – a player that is close to the net and reaches higher than the net at the time of contact will be considered a blocker. If the player is below the net and contacts the ball, that contact will be counted as one of the three hits.
- K. Back row players may not block or spike from in front of the 10ft. attack line. Also, if a back row player contacts the ball completely above the height of the net and the ball lands on the opponent’s court – it is a back row attack and will be called as illegal.

**CRC’S INTERPRETATION OF RULES IS FINAL.
ALL DECISIONS ARE OPEN TO REVIEW,
AND MAY SUPERSEDE THE CRC RULEBOOK.**

17. TOURNAMENTS

The top half of your league’s teams will qualify for the post-season, single-elimination tournament. This will be determined by the final standings. In case of ties for the final position, head-to-head competition results or the number of points given up will determine the representative.

CRC also schedules separate (non-league) indoor volleyball tournaments throughout the year! For information on these tournaments, please call the CRC Athletic Office!

18. AWARDS

Eight individual T-shirts will be awarded to the first place winners from each CRC league. In case of ties for first place, awards will be given to both first place teams. Tournament winners will receive individual awards. All awards are to be picked up by the designated date or they may be forfeited.

19. INJURIES / ACCIDENT REPORT

In the event that a player is injured during a league or tournament game, the team manager should report the accident to the CRC staff at the site, complete an accident report (obtained from the CRC Athletic Office), and promptly submit it to the Athletic Office. Each player is responsible for his/her own medical coverage.

A player/substitute, manager, coach, trainer or other team member who is bleeding or who has an open wound shall be prohibited from participating further in the game until the bleeding is stopped and/or the wound is covered. If treatment can be administered in a reasonable amount of time the individual would not have to leave the game. The length of time that is considered reasonable is the official’s judgment. If there is an excessive amount of blood on the uniform, or if the bandage is blood soaked, in the judgment of the official, the uniform/bandage must be changed before the individual may participate.

Thank you for playing CRC Volleyball!
